Dear Pan-Pontian Federation of USA and Canada,

We are delighted to be hosting the 2024 Pan-Pontian Youth Festival & Convention in Cleveland, Ohio for the milestone 15 year anniversary. We welcome you to our city and to northeast Ohio. The weekend date is set for June 21-23, 2024. In collaboration with the Pan-Pontian Federation of USA & Canada and the Pontian Youth Association, we have an exciting weekend planned for all our attendees. Attached in this packet you will find all printed material for registration, sponsorships and ad book support, as well as a tentative agenda for the weekend. Additionally, our website www.clevelandpontians.org has a 2024 Youth Festival Tab where all registration and payments can be completed and a link to the hotel registration. We have a block of rooms reserved for \$139 a night + tax, which includes breakfast daily and a hospitality reception every evening from 5:30-7 pm for hotel guests which includes 2 complimentary bar drinks and light appetizers. The QR code above will take you directly to our Youth Festival link.

In Norwalk, CT this weekend, we will share with you our plans and our asks of you to better prepare for your experience.

We have planned all these efforts in the spirit that we "never forget" the Genocide of the Greeks and that we hold to the promises made to our grandparents and great-grandparents to prosper and share their stories by keeping their memories alive through tradition and culture and preservation of our Christian faith. The Cleveland Pontian Association always puts the interest of our children first. They are the most important voice in our organization.

The Cleveland Pontian Association "Phoenix" is a 501(c)(3) non-profit organization making any donation tax deductible.

Our co-chairpersons for this year's Youth Festival are Despina Semertsidis & Evangelia (Julie) Tsirambidis. Feel free to reach out to us to answer any questions. Our email is infoclepontian@gmail.com

Thank you and see you soon!
